

The Symphonic Orchestra Project Sponsorship Breakdown

Thank you so much for your interest in becoming a partner/sponsor with The Symphonic Orchestra Project! We believe that a strong bond with local businesses will allow us to reach as many young people as possible. Your contribution could be the thing that gives a musician the chance to reach their goals!

We are working hard and growing every day! The Project's main mission is to provide an opportunity for children of all ages to experience musicianship on a developmental and elite level without a ridiculous financial commitment. Our end goal is to perform at a variety of locations, host teaching workshops, and educate the next generation of musicians.

Below is a breakdown of our levels of Sponsorship/Partnership, and if you have any questions, please feel free to contact our director Clinton Patton III at his personal number 770-241-2163 or email pattonclinton@gmail.com
